AT THE CROSSROADS

You to the left and I to the right
For the ways of men must sever—
And it well may be for a day and a night,
And it well may be forever.
But whether we meet or whether we part
(For our ways are past our knowing),
A pledge from the heart to its fellow heart
On the ways we all are going! Here's luck!
For we know not where we are going.

"... and yell!"

G. M. 's basketball team had the same problem as that of other sports, a lack of experience seniors (two seniors on the squad of eleven). All other group 1B Teams carried six or seven seniors. Due to the lack of experienced players, GM was unable to produce a championship basketball team. GM won its first 1B Tournament game by defeating Herndon in overtime, but lost to Handley of Winchester in the second game. Considering everything, GM did well and should show power next year with eleven returning.

The George Mason baseball team is looking for a bright 1961 season after capturing the district title last year. The 1960 team went undefeated in league play, losing only two games all year.

Despite heavy losses through graduation, the outlook is good for this season as the Mustangs enter a new league.

Along with 10 returning lettermen from last year, many outstanding prospects, especially from the lower grades, have turned out to help make what could be George Mason's best team since the school was started.

As the young baseball season begins to take shape, our school has the makings of another league title for the undisputed champions of the old Group II league.

VARSITY TENNIS
